THE GREAT QUESTION OF TODAY IS,

What Can Riford's Magic Be Composed Of?

It is so near the flavor of the best 10c Cigars that it has been sold three for 25c and not a single complaint made by the purchasers.

Notice to Smokers!

There will be a post-mortem examination held on or before Jan. 1, 1890, over one thousand taken from several dealers that are now selling them. It will then be declared by competent judges that it contains more FINE HAVANA Tobacco than any 5c Cigar ever offered.

Secure the agency of Riford's Magic and Turkoma Cigars and multiply your trade by 5.

Exclusive sale given to one or two prominent dealers in every town and city. Address
